FAQ

What is an Access2day Health membership?

Access2day is an employer-sponsored clinic membership providing high-quality primary, preventative, and urgent care services. Eligible employees and their dependents on the employer's health plan enjoy convenient access to all Access2day health clinic locations in Louisiana, Alabama, Mississippi, and Texas.

Do I need to enroll to be a member?

If your employer offers the Access2day health benefit, you are automatically enrolled and have access to any Access2day clinic location. No further enrollment is necessary.

Can I go to Access2day for any health issue?

You can visit Access2day for non-life threatening illnesses and injuries that are considered covered urgent care and primary care services, including basic labs and X-Rays.
