

Effective February 1, 2021

Everyone who rides CARTS is required to wear a mask while boarding, riding and disembarking from a bus.

CARTS COVID-19 Guidelines and Safety Precautions – September 21, 2020

Most of those served through our transit agency are older adults and individuals with severe underlying chronic medical conditions. These are the individuals the Centers for Disease Control and Prevention (CDC) indicates are at higher risk for developing serious complications from Coronavirus Disease (COVID-19)

CARTS is taking the necessary steps to protect our riders and our employees. The following operating procedures are effective September 21, 2020.

- No more than TWO passengers will ride at a time
- Passengers are advised to stay at home if they are sick
- Passengers are encouraged to limit unnecessary travel
- Passengers are requested to avoid close contact and maintain a distance of 6 feet
- Drivers will disinfect vehicles on a continuous basis

Due to the nature of COVID-19 and the rapid changes that can occur, the above information is subject to change, and information will be updated on this page within a reasonable amount of time.
